

DNA FOR GENETIC GENEALOGY

Where To Test?

Autosomal DNA Testing Comparison Chart

Compares the features of different companies for Autosomal DNA testing for genetic genealogy purposes.

http://www.isogg.org/wiki/Autosomal_DNA_testing_comparison_chart

Family Tree DNA: www.familytreedna.com

23andMe (My referral Link to 23andMe)

<http://refer.23andme.com/v2/share/6204559151786053118>

Ancestry DNA: <http://dna.ancestry.com>

GEDmatch

A third party site that is free to use and allows you to compare with others who tested at another company and broaden your matches.

It has a number of tools and also has additional tools available for a small donation.
