Researching Ancestors in Galicia, Austria-Hungary with Michelle Chubenko

- ✳ Eastern European ancestry doesn't have to be your research brick-wall! Discover the many resources for the multi-ethnic Province of Galicia in Austria-Hungary.
- ✳ This presentation will discuss strategies to assist you in determining your immigrant ancestor's immigration to the United States and determining their ancestral hometown as well as review the history of mid-19th century through 20th century immigration from Galicia which today includes southern Poland and western Ukraine.
- ✳ Attendees will learn about the relevant repositories and receive instructions on how to access documents in archives and registry offices as well as review online resources which include: metrical records, maps, archival catalogs, searchable databases, translation (German, Latin, Polish, Hungarian) and transliteration tools and other relevant websites.
