Are you a member of the Daughters or Sons of the American Revolution?

The Mayflower Society has provided prospective applicants with a very useful tool for determining if their Patriot Ancestor from the Daughters or Sons of the American Revolution (DAR or SAR) leads to a Mayflower Pilgrim. The Patriot to Passenger Bridge Project is a 175+ page list of Patriot Ancestors whose genealogy connects them with one of the Mayflower passengers.

The list extends the lineage of each of the related Patriot Ancestors to a fifth-generation Mayflower descendant found in one of the Silver Books.

New England Historic Genealogical Society has posted authoritative biographies and sources for all the Mayflower passengers and crew at: <https://mayflower.americanancestors.org/passenger>

There is also a book, called *Mayflower Births & Deaths: From the Files of George Ernest Bowman at the Massachusetts Society of Mayflower Descendants*, by Susan E. Roser. Published in 1992.
