

## **WPA Handout of Places to Research Historical Records Project**

Be sure to check: local libraries, historical societies and genealogical societies.

FamilySearch has a list of WPA Historical Records repositories where you can scroll through the list to find states that may interest you.

<https://tinyurl.com/369mvzfp>

*Other sites to check: at the state level:*

State Archives

State Genealogical Societies

University libraries.

Inventory of the County Archives of \_\_\_\_\_ (state)

Plus these sites have extensive information:

National Archives, Internet Archives, Archives.gov, Hathi Trust, World Cat, Open Library, DAR, Cyndi's list, Library of Congress all have a wealth of information.

Google

Ebay and Amazon have books, especially state guides.
